Project akhir sebagai nilai UAS yang anda harus kerjakan (kelas A dan B)

Lihat template website pada alamat berikut:

https://www.templatemonster.com/demo/51530.html

berdasarkan contoh tersebut, buat website yang serupa dengan web tersebut dengan HTML dan CSS (tanpa bootstrap, jquery, dan javascript). Minimal yang anda harus buat seperti berikut ini.

1. Ada menu seperti berikut:

HOME BLOG ABOUTUS CONTACTS

Karena menu ini tidak dropdown, maka tambahkan satu menu dropdown sampai pada level-2 saja.

2. Di bawah menu ada foto/gambar full page dan ada Judul Foto (font besar dan kecil), dan terdapat efek transition yang harus anda gunakan.

3. Dibawah foto full page, ada tampilan seperti dibawah ini, ada 4 kolom (Simbol yang digunakan didepan judul setiap kolom bebas).

What We Do

SEC

Search engine optimization (SEO) is the process of affecting the visibility of a website or a web page in a web search engine's unpaid results — often referred to as "natural".

SMN

Social media management solutions can help you manage outbound and incoming online interactions — along with other small business marketing activities — in an efficient manner.

EMAIL MARKETING

Email marketing provides an effective connection with your targeted audience and gives you the best return on investment, including reaching out to your customers.

BRAND MANAGEMENT

Search engine optimization (SEO) is the process of affecting the visibility of a website or a web page in a web search engine's unpaid results — often referred to as "natural".

4. Dibawahnya lagi terdapat image gallery seperti berikut (pada image gallery ada penggunaan opacity/transparency dan transition).
